

**Operation REDBLOCK is your program...and it works!**

# Operation REDBLOCK

## Mission Statement

Operation REDBLOCK's mission is to ensure the safety of employees who work in the transportation industry by working to discourage and prevent the use of drugs and alcohol in the workplace. The REDBLOCK program and procedures provide prevention and intervention opportunities for employees in need, so they can stay safe and sober on the job. This not only helps all employees but also helps to protect the safety of passengers who ride public transportation.
